Inmate Death at FCI Milan

WASHINGTON, D.C.: On Saturday, April 11, 2020, inmate Daniel Kimbrough went into respiratory failure at the Federal Correctional Institution (FCI) Milan, in Milan, Michigan. He was evaluated by institutional medical staff and transported to a local hospital for further treatment and evaluation. While at the local hospital, Mr. Kimbrough tested positive for COVID-19. On Tuesday, April 14, 2020, his condition declined and he was placed on a ventilator. On Monday, April 27, 2020, Mr. Kimbrough, who had long-term, pre-existing medical conditions which the CDC lists as risk factors for developing more severe COVID-19 disease, was pronounced dead by hospital staff.

Mr. Kimbrough was a 53 year-old male who was sentenced in the District of Minnesota to a 120-month sentence for Distribution of Child Pornography. He had been in custody at FCI Milan since November 7, 2016.

FCI Milan is a Low security facility that currently houses 1,430 male offenders.
